ALL WOMEN DESERVE SUPPLIES

PERIOD

Tampons | Pads | Panty liners | Wipes | Soap | Underwear

The average woman requires over \$6,000 worth of disposables in her lifetime. For some women, that time of the month couldn't come at a worse time.

Thank you for giving dignity to those who have few resources.

Who we are...

As a local club of Zonta International, we are part of a worldwide service organization working to advance the status of women.

We work to improve the legal, political, economic, educational, health, and professional status of women.

We work for the advancement of understanding, goodwill and peace through our worldwide fellowship and promote justice and universal respect for human rights and fundamental freedoms.
